DEFINITIONS OF SCHOOL RATING TERMS

- Excellent - School performance substantially exceeds the standards for progress toward the 2020 SC Performance Vision
- Good - School performance exceeds the standards for progress toward the 2020 SC Performance Vision
- Average - School performance meets the standards for progress toward the 2020 SC Performance Vision
- Below Average - School is in jeopardy of not meeting the standards for progress toward the 2020 SC Performance Vision
- At-Risk - School performance fails to meet the standards for progress toward the 2020 SC Performance Vision

SOUTH CAROLINA PERFORMANCE VISION

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

Report of Principal and School

South Florence High School (SFHS) revised its mission statement this year to read, "The mission of SFHS is to prepare students to become responsible, world-class citizens and high-achieving, life-long learners." With that in mind, the school increased initiatives and training associated with its federal Safe and Supportive School Grant and its ABC Arts Grant. The school also received a grant to support its initiatives related to international and cultural awareness and responsiveness.

The school contributed to FSD1 receiving its Excellent rating from AdvancEd accreditation visit and evaluation. SFHS also contributed to FSD1 receiving the AP Honor Roll Award for raising AP scores while also increasing the number of students taking AP classes. In addition, the school was recognized as a School of Distinction by the National Beta Club Organization and was selected as the host site for a state-wide arts consortium workshop.

The class of 2014 earned over \$5,851,000 in scholarship offers, which included 72 Hope Scholars, 85 Life Scholars, and 13 Palmetto Fellows Recipients. Of the 2014 graduating class, 82% plan on attending a two or four year college, and they applied to over 90 different colleges nation-wide. 53% of graduates earned single-cord, double-cord, or Board of Trustee honors at graduation. Four seniors were recipients of the SC Academic Honors Certificate. All of our students worked hard to obtain their diplomas, and we are proud to have shared in helping them succeed.

Student recognitions for 2013-14 included a SFHS junior who was one of 60 students nationally to receive the prestigious LEDA scholarship to study at Harvard the summer of 2014. In addition, four underclassmen from SFHS were accepted to the SC Governor's Residential School for the Arts for 2014-15 school year. For a second year, over 75% of freshmen taking AP Human Geography earned college credit. In addition, one student was recognized as Outstanding Legislator for Youth in Government.

SFHS students also excelled in athletics as they participated in varsity and junior varsity sports that included volleyball, football, cross country, swimming, tennis, basketball, cheerleading, golf, track, soccer, softball, and baseball. The football team won the region championship and was undefeated in the regular season for the first time in school history. Softball and boys' soccer were region champions as well. Boys' basketball won the Pepsi Classic Invitational Tournament for the first time in school history. Boys' track won the Pee Dee Classic. A total of seven athletic teams qualified for SCHSL state playoffs.

SFHS's work to provide meaningful learning opportunities for all learners in the building continued as teachers participated in collaborative work and trainings designed to promote student achievement. Staff participated in trainings associated with Cognitive Coaching, Habits of Mind, Adaptive Schools, and the National Alliance for Mental Illness. In addition to integrating arts and technology in instruction, the school increased its service-learning projects and engaged in more meaningful writing-across-the-curriculum.

Carol C. Hill, Principal

Ivy Whitehead, School Improvement Council Chair

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	80.4
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

South Florence High School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.

Teacher Quality and Student Attendance

	Our District	State
Classes in low poverty schools not taught by highly qualified teachers	4.7	3.2%
Classes in high poverty schools not taught by highly qualified teachers	8.7	7.3%
